KUBARK - PBSUCCESS
Support Material for
Guatemala Libre

Ref: [ ]A-241

1. In connection with paragraph 13 of reference we herewith request that [ ]provide you with copies of "El Boletin de C.E.O.A.C.E." (La Voz del Ejército), and [ ]with "Combate". Such KUBARK materials as are made available to LINCOLN will be passed to you whenever appropriate, as will special support materials of LINCOLN origin.

2. It is hoped that an effort will be made to develop indigenous propaganda capabilities if only at the level of creating agent awareness concerning methods by which straight news items can be "interpreted" to our advantage. As an exercise you may desire to start your group working on an editorial interpretation of the Caracas Conference in which KUBARK would be readily recognizable as the villain.

3. Because of the paucity of experienced Spanish-language propagandists we must perforce encourage the self-help principle in connection with all KUBARK/PBSUCCESS activities not already staffed and underway.

4. As for radio support materials, it may be possible to provide you with sample transcriptions of programs now in operation against KUBARK.
